Gentlemen,

I have been informed that on 8/12 the solicitors office signed off on the documentation we have been waiting on, and it is now with Mr. EchoHawk. I am hoping to get an update of when it will be signed and the next step in the process to put us on the list of recognized tribes.

Your prompt response to this matter is greatly appreciated.

Respectfully,

Jim Appodaca  
Vice Chairman  
Tejon Indian Tribe
